Third Ward Newsletter

July 2019

Dear Third Ward Resident,

July is a great time to talk about safety. With the kids out of school, summer heating up and the 4th of July right around the corner, summer is a lot of fun - if you are careful.

Please, leave the fireworks to the professionals. The City of Chicago has one of the world's greatest annual fireworks shows for the 4th of July. The show starts at 9:30 pm at Navy Pier, and you can see the fireworks from up and down Chicago's lakefront. I promise they will be bigger, louder and more fun than anything you can light up in your back yard. If you are traveling around Chicago on the 4th of July, please be safe and don't drink and drive. Chicago has a wonderful mass transit system and thousands of taxi/Uber/Lyft drivers that can take you anywhere you want to go.

Unfortunately, summer also traditionally means an uptick in crime. Be aware of your surroundings (don't walk anywhere with your headphones on or your phone in your hand), go to your local CAPS meetings to stay on top of things in your neighborhood (CAPS meeting list is at the end of the newsletter), and make smart decisions. My office, as we do every year, has partnered with 4th Ward Alderman Sophia King to sponsor the "Safe Summer" Initiative, which places safe passage-style workers around three neighborhood parks - Anderson, Fuller and Metcalfe - to be an extra set of eyes and ears in the neighborhood. If you need help, call 911, look for a police officer or talk to one of the Safe Summer workers immediately.

Last, summer gets really hot! To beat the heat, the City operates a series of Cooling Centers across Chicago. For a list of Cooling Centers please go to www.cityofchicago.org/dfss. In addition, other City buildings like libraries, police stations and more can serve as places to keep cool. If you are feeling the heat, drink water, get out of the sun, and if necessary, call 911 for assistance.

Have a great, safe and fun summer! If my team or I can help you in any way, please don't hesitate to reach out anytime at 773-373-9273. Thank you for reading this newsletter. Please share it with a neighbor or friend.

Sincerely,

Pat Dowell
Alderman, 3rd Ward

Southbridge Development Moves Forward

As part of the June City Council meeting, the City approved a financing package to redevelop the former Harold Ickes Homes site at the corner of Cermak Rd. and State St. into a mixed-income, mixed-use development called "Southbridge." The Southbridge development will contain 877 rental and for-sale homes and apartments for people of all income levels and 60,000 square feet of retail space.

Passage of the ordinance allows the developer, The Community Builders, to break ground on the first phase of construction by the end of the summer. The initial two-building development will include 206 apartments and 16,000 square feet of retail space along State St. between 23rd and 24th Streets. Of the 206 apartments being built in the first phase, 68 will be for CHA residents, 112 will be market-rate, and 26 will be affordable rental units.

Bronzeville CAC Celebrates Outstanding Students

Alderman Dowell celebrated the valedictorians, salutatorians and most improved students from the schools in Bronzeville at the Greater Bronzeville Community Action Council's (GBCAC) Student Recognition Breakfast. This is the 4th annual breakfast and Alderman Dowell was honored to again be a part of this year's program with her colleague 4th Ward Alderman Sophia King. Big thanks to Pastor Chris Harris and the members of the GBCAC, Kathy Cullick of the Greater Bronzeville Neighborhood Network, CPS Network 9 Chief Felicia Sanders and Family and Community Engagement in Education (FACE2) Director Herald "Chip Johnson" for all the work they do and support they give to our school community. It is so gratifying to highlight the positive achievements of our youth when the media chooses to highlight the negative actions of a few. As a member of the GBCAC, Alderman Dowell

invites you to our next meeting, Monday, July 8th from 6:00 on to 8:00 pm at Timothy Community Corporation - 4351 South Drexel. Together, we can make the changes we want to see in our schools!

This commission would be made up of Chicago residents from every community in Chicago. The commission provides residents a meaningful opportunity to shape Police Department policies and practices, and increase public accountability of the Police Department, the Civilian Office of Police Accountability, and the Police Board.

Dowell Cosponsors Ordinance for \$15 Minimum Wage

After previously supporting the ordinance to raise Chicago's minimum wage to \$13 an hour, Alderman Dowell has co-sponsored a new ordinance to further raise the minimum wage in the City to \$14 an hour by 2020 and \$15 an hour by 2021. After 2021 the ordinance calls for increases in the minimum wage to be tied to the Consumer Price Index.

Hearing on Preventing Sexual Harassment Cosponsored by Alderman Dowell

As the chairman of the Committee on Human Relations in 2017 when the City adopted stronger protections against sexual harassment, Alderman Dowell is calling for new hearings on the effectiveness of existing policies and procedures to prevent sexual harassment. The resolution calls for the hearings to include: the materials presented in the City's anti-sexual harassment training, statistics on the number of officials and employees trained, information from City Departments about the number of new claims of Sexual Harassment made in the last two years, and analysis from City Departments on the effectiveness of existing regulations and what additional regulations may be needed.
